Learning from Home Plan - Information for Students, Parents and School Community

The purpose of this plan is to enable Geraldton Senior High School to provide access to learning material for students and parents in either an Online or Hard-copy format at home from the commencement of Term 2 2020. The school is committed to providing the opportunity for students to continue their education during these unprecedented times.

Teacher Responsibilities

Teachers will utilise Connect and may also WebEx as an online platform to enable students to access learning materials from home. All direction and communication will be performed online via Connect or Department of Education email accounts.

Teachers will be expected to provide instructions and resources to complete all activities.

Hard-copies

Geraldton Senior High School acknowledges that Online access is not always possible and hard copy learning material will be provided for collection upon request to the front office.

A limited number of Laptop computers will be made available from Term 2 2020 to loan from Geraldton Senior High School. An Application form can be collected from the front office.

Student Responsibilities

- Check **Connect** and emails regularly (at least twice a day) for communication and new content and resources from teachers
- Senior School students engage in the **Connect Discussions** where possible, complete set work, engage with teachers via Connect.

- If **WebEx** is used by your teacher, students are required to enter their correct name when joining a session, wear their school shirt and be aware of what may be in the background
- Submit documents where requested either Online or Hard-copy

Parents and Carer Responsibilities

- Help establish a learning space with internet, stationery and resources including text books
- Assist with planning, management of time and work completion
- Monitor communication from school regularly via email, Connect and Facebook. Please be aware teachers are also working in a new environment and will be responding to hundreds of students and families. Please allow 48hrs for a response to be received.
- Encourage breaks for physical activity, good nutrition and water.
- Check-in regularly to monitor your child's well-being

Technical Support

Technology is a fantastic advancement, however, things will always go wrong at some point. Please be patient and follow the steps below for support.
